NEW EXEMPTION

FOR STATE MILITIAMEN Three, Instead of Five Years' Service Now for Personal Tax Exemption.

Former members of the Connecticut National Guard, who have to their credit three years of faithful service, ave a pleasant surprise coming to have a pleasant surprise coming to them, when they go to pay their personal tax, as they have been made exempt, under the new law passed and approved March 31, 1915. Heretofore the old law required that ex-members of the militia should have had five years' faithful service.

The reduction of time from five to three years will be an aid to recruit-ing, because commanders can now as-sure a man that upon servin gout his sure a man that upon servin gout his three years he will be entitled to personal tax exemption the rest of his life. Granted that a young man left the service at 21 years of age, he would not have to pay the tax required period from 21 to 60 years of age, which would be a matter of \$39, not figuring the interest. And the \$2 will always come in handy for something else.

Common Council to Take It Up At Adjourned Meeting on Sept. 18th-Petitioners Want Time Limit Extended to Forty Minutes-Numbering of Houses on Potter Manor and Prospect Park Ordered-More Property Owners Ordered to Lay Granolithic Sidewalks-Committee Appointed to Confer With Water Commissioners Regarding Plumbing Ordinance.

A petition signed by many prominent business men of the city was presented to the September meeting of the court of common council on Mon-levestigated the claim for damages to the court of common council on Monday evening asking the council to take up for discussion the petitions relating to the present enforcement of the traffic regulations, the petitions having been tabled at the regular council meeting in August. In the petition the signers stated that they would be satisfied if the fifteen minute time limit be changed to gorty minutes, such, as they say, is the time period in Hartford. After a brief discussion the petition was accepted.

Alderman Balley for the public works committee reported that the committee had considered the petition of Postmaster John P. Murphy, minutes, such, as they say, is the time period in Hartford. After a brief discussion the petition went over to the adjourned meeting of the council to the iron fence about the Elackstone to the iron fence about the Elackstone lot the iron

cussion the petition went over to the adjourned meeting of the council to be held on September 18th.

The meeting was called to order at 8.20 by Mayor Allyn L. Brown, and the reading of the minutes of the last meeting was omitted and they were accepted and ordered printed in the journal.

Clerk Arthur G. Crowell read the return of publication for sidewalks ordered at the last meeting.

Mayor Brown announced that the hearing on the order affecting sidewalks.

Alderman Dolbeare reported that the

was approved. When the hearing on the Main street sidewalk was opened Attorney C. V. James arose and said he represented the Misses Nancy and Mary Lucos, owners of the Ereed building property. Attorney James said the Misses Lucas think the order should be modified. There is a flag walk in front of the building. The sidewalk is separated from the rest of the walks on the street by an alley connecting Church and Main streets. The walk is on a steep grade and that the Misses Lucas think a granolithic walk would not be a proper walk to lay on such a grade.

Mayor Brown said that he and Mr. Chandler had inspected the sidewalk in common with the others and was of the opinion that this particular walk should be included in the order.

As to the grade, Mr. Chandler said it was not as steep on the Main street side as on the Washington street side and he thought it perfectly feasible to lay a granolithic walk.

In regard to the walk in fractive in the would be satisfied with the traffic regulations in force in Hartford, the capital city of the siate, that allow a stop of 40 minutes, which traffic regulations in force in Hartford, the capital city of the siate, that allow a stop of 40 minutes, which traffic regulations are suspended in their operation from 6 o'clock at night to 9 o'clock in the morning.

We feel that common convenience and necessity require a reasonable freedom in the use and occupation of the highways of the size.

In regard to the walk in front of the Capitol lunch, W. A. Somers, owner, said the uneven condition of his walk, which is of flag, is due to the action of the city. Several years ago the city tore up the flags while laying the granolithic curbs on Main street. In relaying the flags several were broken and were replaced by others. The side-walk has been in poor condition since. He did not feel that he should be required to lay the sidewalk inasmuch as the city is to blame for its present

condition. A recess of ten minutes was taken, at the expiration of which the council filed in and the clerk read the reso-lutions without change. They were adopted.
